### Notes/Comments:

### Investment

The below table seeks the information regarding what a minimum amount of investment dollars you'd be willing to contribute, as well as any maximum amounts. Additionally, what is the time frame (i.e., maximum period) in which you'd be seeking to have a return on your investment and what hurdle rate or return rate would you be expecting.

Min \$	Max \$	Max Period Years	Min Hurdle Rate %
\$	\$		%

### Deal Breaker(s):

Define any deal breakers that you want to convey. These can be any element that you would immediately hinder your desire to any potential investment opportunities.
